# Wall to Wall Ride for Remembrance

Legacy's Kiim Parnell receives the cheque from Craig Hamilton

---

**NT Police Legacy's** Kiim Parnell receives a cheque from Wall to Wall rider Craig Hamilton as fellow riders and Police Legacy board members look on. The 2015 Wall to Wall Ride saw 15 riders from the Territory travel over 4,000 kilometres from Darwin to the National Police Memorial in Canberra. A total of \$3709.31 was given to NT Police Legacy from the national pool and an additional \$4,500 was raised by the NT Wall to Wall rider contingent alone.

Last year's ride welcomed more than 2,500 motorbikes to the nation's capital as representatives from every jurisdiction make the pilgrimage.

Congratulations and thank you to all involved.
